"Heaven gives its favorites--early death." Lord Byron

In September, 1971, the Primghar Community School students and faculty were saddened by the death of Donna Larson, an eighth grade student. She died of injuries received in an automobile accident, September 14, 1971.

Students and faculty alike will remember Donna for her quiet ways, friendly manner, and co-operative spirit. Although she was only thirteen, those who knew her recognized her many abilities.
